

WARNING

BEWARE OF

THEY ARE OUT TO TAKE YOUR MONEY!!

JUST BECAUSE THEY HAVE A BIG AD IN THE YELLOW PAGES DOESN'T MEAN THAT THEY ARE LEGITIMATE...

M.O.: They will give a bid that maybe much lower than other Movers, when you get to your final destination, they will hold your personal items "hostage" and demand a "ransom" that will be thousands more over the cost of a legitimate Mover.

PROTECT YOURSELF

VERIFY MOVERS CREDENTIALS
